

How do I change the copyright name?

This tutorial explains how to change the copyright name and add a message to the footer of your website.

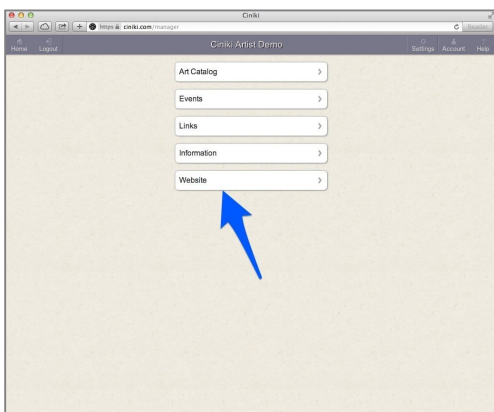

Step 1 of 7 - Click Home

Click on the Home button in the top left of the Ciniki window to return to your main menu. This is the screen you see when you first login to Ciniki. If you are already at your home screen, the screen will not change.

If you are not yet logged into Ciniki, refer to: <http://ciniki.com/tutorials> for more information on how to log into the Ciniki Manager.

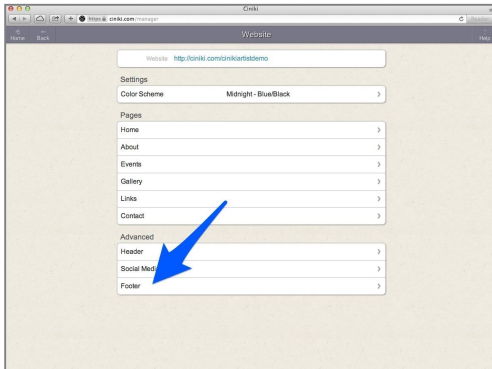

Step 2 of 7 - Click on Website

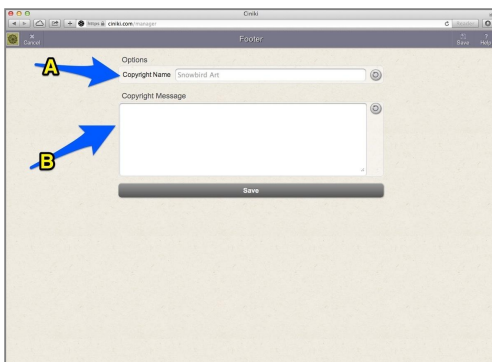

Click on Website.

How do I change the copyright name?

Step 3 of 7 - Click on Footer

Step 4 of 7 - Update settings

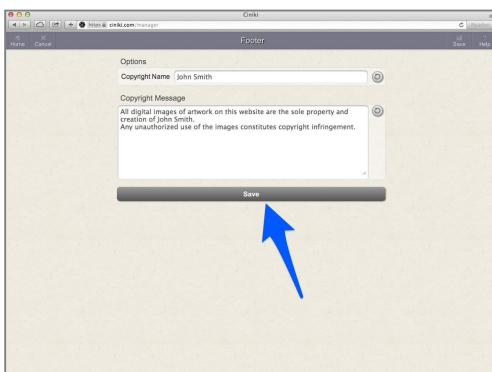

A. Enter the name for the copyright, eg: "John Smith", "Snowbird Art", etc.

B. This message can contain any information you wish to include at the bottom of every page on your website.

Example:

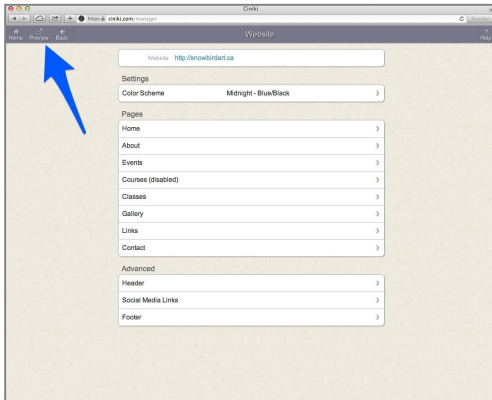

"All digital images of artwork on this website are the sole property and creation of John Smith. Any unauthorized use of the images constitutes copyright infringement."

Step 5 of 7 - Click on Save

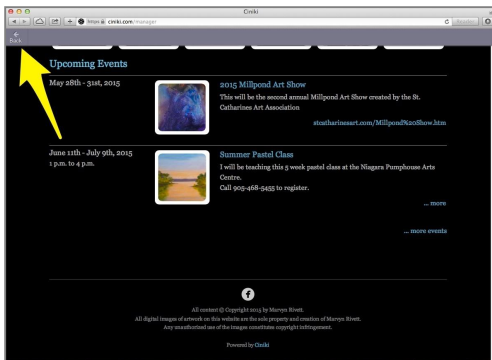

How do I change the copyright name?

Step 6 of 7 - Preview your changes

Click on Preview to view your changes.

Step 7 of 7 - Click on Back

After previewing your changes, click on Back.

To make more changes, go back to Step 4.
