

# How do I track where items have been exhibited?

If you would like to keep track of the items you are taking to a show or showing in a gallery, follow the steps below.

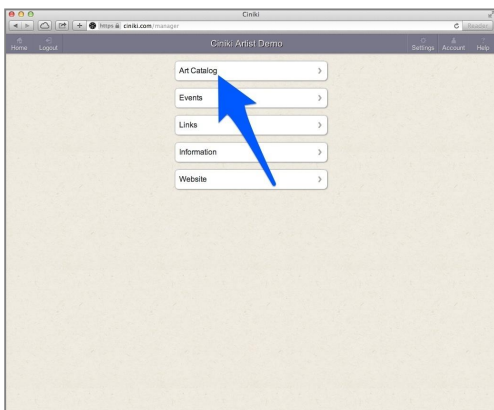

## Step 1 of 7 - Click Home

Click on the Home button in the top left of the Ciniki window to return to your main menu. This is the screen you see when you first login to Ciniki. If you are already at your home screen, the screen will not change.

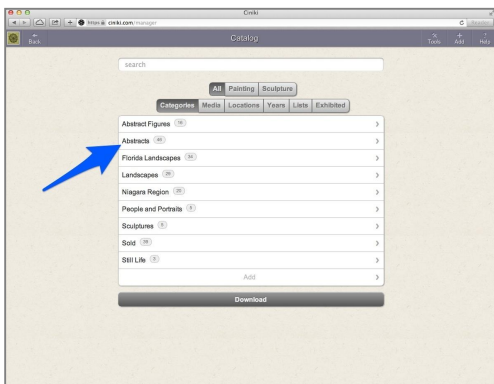

If you are not yet logged into Ciniki, refer to: <http://ciniki.com/tutorials> for more information on how to log into the Ciniki Manager.

## Step 2 of 7 - Click on Art Catalog

Open your Art Catalog.

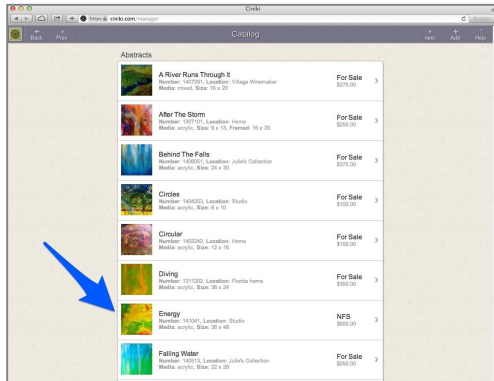

## Step 3 of 7 - Choose a category

Open the category where the item is located that you wish to edit or skip this step if you do not have the list of categories.

## Step 7 of 7 - Click on Save

A screenshot of a web browser window showing the 'Ciniki' application. The page title is 'Edit Exhibited'. The form contains several input fields: 'Place', 'Name', 'Number', 'Start', and 'End', each with a small circular icon to its right. Below these fields is a 'Notes' section with a large text area. At the bottom of the form is a dark 'Save' button. A blue arrow points from the 'Notes' area down to the 'Save' button.

When you are finished, click on Save.

The item will now be included on the exhibition list.
